Template — informational overview, pending legal review. Fotosoft SA is a Belgian company; the DPA and Terms are governed by Belgian law (courts of Liège). The table below shows the supervisory authority and data-protection regime per country so that data subjects can exercise their rights locally.

Jurisdictions & Local Rights

Coverage

The platform is offered across **BE, FR, DE, AT, IT, ES, PT, CH, UK and the US**. All data is hosted **exclusively in Europe**.

EU/EEA (GDPR) — one regime, local authority

For BE, FR, DE, AT, IT, ES and PT the same regulation (EU GDPR) applies; only the supervisory authority and language differ.

Country	Supervisory authority	Website
Belgium ??	Autorité de protection des données (APD/GBA)	gegevensbeschermingsautoriteit.be
France ??	Commission Nationale de l'Informatique et des Libertés (CNIL)	cnil.fr
Germany ??	Competent Land authority (Landesdatenschutzbehörde) / BfDI	bfdi.bund.de
Austria ??	Datenschutzbehörde (DSB)	dsb.gv.at
Italy ??	Garante per la protezione dei dati personali	garanteprivacy.it
Spain ??	Agencia Española de Protección de Datos (AEPD)	aepd.es
Portugal ??	Comissão Nacional de Proteção de Dados (CNPd)	cnpd.pt

Rights (access, rectification, erasure, restriction, portability, objection) and the 30-day deletion commitment apply identically; complaints go to the authority above.

Switzerland ?? — revised FADP (nFADP)

Switzerland is **not** in the EEA. The revised Federal Act on Data Protection (nFADP, in force since 1 September 2023) applies; it is closely aligned with the GDPR.

- Authority: **Federal Data Protection and Information Commissioner (FDPIC / EDÖB)** — edoeb.admin.ch
- Transfers from Switzerland rely on the Swiss adequacy list and, where needed, the Swiss addendum to the EU Standard Contractual Clauses.

United Kingdom ?? — UK GDPR

- Regime: **UK GDPR + Data Protection Act 2018**.
- Authority: **Information Commissioner's Office (ICO)** — ico.org.uk
- Transfers to/from the UK use the **UK International Data Transfer Agreement (IDTA)** or the UK Addendum to the EU SCCs.

United States ?? — state privacy laws (CCPA/CPRA et al.)

- No federal GDPR equivalent; state laws apply, notably the **California Consumer Privacy Act (CCPA/CPRA)**, plus Virginia (VCDPA), Colorado (CPA) and others.
- Under these laws Fotosoft acts as a **"service provider"/"processor"**; consumers have rights to know, access, delete, correct and opt out of "sale"/"sharing".
- Because data is hosted only in Europe, there is **no transfer of personal data to the United States** for storage.
- Operative US terms are set out in the separate **US Privacy Addendum (CCPA/CPRA)**.

Review note (EN): verify each authority's current name/URL and the applicable US state thresholds with counsel before relying on this document.
